

## **Compass Sales Solutions Announces Strategic Partnership with Evolved Office**

Boise, ID – January, 2012 – Compass Sales Solutions, the leader in Sales Opportunity Management software, announces its partnership with Dealer Marketing Solutions Leader, Evolved Office.

This partnership offers Compass Sherpa users the ability to easily export their vertical marketing filters and lists into a format specifically designed for importing into Evolved Office, and other direct marketing tools. This new Export Feature takes the results of any search or filter run through Sherpa, and exports the customer or prospect's contact, email, and location info into an Excel spreadsheet that can be simply imported into your Evolved Office database list for use in your direct mail, email, and newsletter marketing. While this feature will be available to all Compass Sherpa Customers, it is also a function that can be enabled or made unavailable to any user based on the Compass Administrator or Management's discretion, so your valuable data is never compromised by unauthorized use.

Troy Casper, President of Compass Sales Solutions says, "We are excited to partner with Evolved Office on this mission to enhance our Client's marketing and prospecting efforts. Email and direct marketing are taking on a vital role in our industry and Evolved Office has the best marketing products, content and newsletters; we are looking forward to partnering with them on this project and further advanced integration in the near future."

Roger Jung, VP of Sales of Evolved Office adds, "Partnering with Compass was a logical step for us; they have the most intuitive and powerful CRM for this industry, and the ability for Compass Customer's to import directly into their Evolved Office customer lists will allow them to more easily and accurately pin point qualified prospects and market directly to them."

Compass Customers who are interested in learning more about Evolved Office will have the opportunity to benefit not only from their outstanding services, but for a limited time will also be offered a valuable rebate for signing up (contact Evolved Office for details).
