

## **Compass Sales Solutions Announces Dates and Location for Annual Sales Summit**

Boise, ID – January, 2012 – Compass Sales Solutions, the leader in Sales Opportunity Management software is pleased to announce that their Annual Sales Summit will be held on April 17<sup>th</sup> in Las Vegas, NV at The Mirage Hotel, in conjunction with the ITEX Event.

The purpose of the Compass Sales Summit is to gather together dealers who share a mission of improving their business and generating more profits, to collaborate on how to best leverage the tools available to them in Compass, to reach their objectives. This Year's event will include a variety of educational topics, industry best practice sharing among the members, introduction of new products and features, and overall feedback and suggestions from members on how to improve and make the Compass suite of products better for dealers.

“We always look forward to getting together with our customers and learning more about their business and how we can help them achieve their goals. Combining this year's meeting with the ITEX show in Las Vegas made perfect sense not only for our Members, but for our Partners who will be in attendance as well.” Says George Gallian, CEO of Compass Sales Solutions. “Our objective this year, and as always, is to give our customers a platform to speak about how we at Compass can help them better run their business, and be more successful.”
